Sir:

It has come to applicants' attention via a third party that products bearing the identification of PEC PDP 501MX/KVC and/or NEC PPD33V1 may be relevant to the present application. Applicants are not admitting that these products are prior art or that these products are not prior art. This information is being provided to assist the Patent Office in the collection of information that may be material to patentability of the present application.

The Patent Office is respectfully requested to consider this information and/or place it of record in the file.

To the extent necessary, a petition for an extension of time under 37 C.F.R. §1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 16-0607 and please credit any excess fees to such deposit account.
